RESEARCH, READ & REPEAT

Some interesting volunteer programs from around the world:

1. South America - Rainforest conservation and protection.
2. Helping underprivileged children in India and Romania.
3. Education and community building in Africa.
4. Help build a self-sufficient farming community in Norway.
5. Work on a national park in Ecuador.
6. Help children with special needs and disabilities in the Algarve, Portugal.
7. Help on a small farm with horses, gardens, and an orchard in NZ.
8. Village primary school teaching in South America or Africa.
9. Nutrition education, radio broadcasting, & gardening in various countries.
10. Female empowerment projects in countries where women fight every day for basic rights.

1. Choose one of the above projects that you like.
2. Do some quick research and make a few notes.

1. To have a good conversation, research some interesting information:

What this type of work is about?

Why was there a need for this work?

Any other information that you think is interesting and worth sharing?

2. When you have finished with the research, read through your notes and think of the easiest and most understandable way to tell your story to your partner.
3. Take turns sharing the information you found.
4. Use the 5 x "W" words to start a mini conversation about your findings.
