

Weather forecast.

WEATHER

You are the weather forecaster on TV. Look at each picture and tell the viewers in 2-3 sentences what the weather will be like tomorrow. Use words like *cold*, *cool*, *cloudy*, *rain*, *rainy*, *light rain*, *snow*, *storm*, *stormy*, *thunder*, *lightning*, *hot*, and *warm*. You can also use other words if you want to.

Describe the weather in your city today.

Describe the weather in your city in winter.

Describe the weather in your city in spring.
