

Teacher's Guide.

TIME & NUMBERS

Lesson Objectives

Students learn and practice how to read and talk about time.

Target Language

Read time as two numbers:

8.30 = eight thirty

9.15 = nine fifteen

3.20 = three twenty

12.45 = twelve forty-five

I got up at 6.30 *[six thirty OR half past six]*

I ate breakfast at 7.10 *[seven ten OR ten past seven]*

I left home at 7.45 *[seven forty-five OR quarter to eight]*

I got to school at 8.15 *[eight fifteen OR quarter past eight]*
