MY NEW CELLPHONE

Lesson Objectives

An introduction to a new cellphone.

Target Language

The phone of my dreams. I like to chat and use social media.
The face is beautiful. The latest on the market.
I got it at a discounted price. I like the ringtone. It is cool.
I can play video games. There are many apps I can download.
I don't need a pin, the phone scans my eye.
I saved for a long time to be able to buy this phone.
I had a part-time job. My friends are going to be so jealous.

Vocabulary

screen	locked	home	home screen
face	silver	black	social media
apps	videos	chat	download
latest	movies	pin	video games
WiFi	market	scan	part-time job... etc.

Some Facts

1. There are more than 7 billion smartphones in the world.
2. The average person spends around 4 hours per week on their phone in bed. Samsung makes more phones than anyone else in the world.
3. We check our phones an average of 150 times per day.
4. People spend an average of 2 hours and 15 minutes on their smartphones every day (and more)
5. On average, a person touches their phone 2617 times a day (including all clicks, taps, and swipes).
6. The least expensive phone ever was the Indian brand Ringing Bells' Freedom which cost \$4.
