2. The Story

It is a sunny day at the summer fair. There are many people, colorful tents, and happy music everywhere. In the middle of the fair, there is a popular stall called “Burger & Chips”.

Anna and her family are very hungry. They walk to the stall and look at the big menu. The man at the stall is cooking many burgers. The smell is amazing!

They order burgers and chips. The burgers are big and juicy with cheese, tomatoes, lettuce, and special sauce. The chips are hot and crispy. They also buy cold lemonade.

They take their food and sit at a big wooden table near the stall. While they eat, they watch the children playing and the carousel turning. Everyone is smiling and talking.

The burgers are delicious. Anna puts extra ketchup on her chips. Her little brother eats very fast because he is so hungry. Their parents laugh and take photos.

Eating burgers and chips at the fair is so much fun. Good food, happy people, and a beautiful sunny day — it is a perfect afternoon!
