

ACTIVITIES AND LOCATIONS

1. Like and don't like

Divide the board in half. Write like and dislike on each side of the dividing line.

Give each student **Handout 1**.

It contains different activities that can be both pleasant and unpleasant.

Go through the vocabulary for the activities shown. Ask the students to place each activity in the column 'like' or 'dislike'.

This is a general exercise about students' preferences.

Handout 1

Put the pleasant activities in the **'like'** column and the unpleasant activities in the **'dislike'** column
