Mexico	Philippines	Indonesia	Poland
South Korea	Saudi Arabia	Italy	France
Netherlands	USA	Argentina	UK
Brazil	Australia	Kuwait	UAE

1. Choose one of the above countries that you like.
2. Do some quick research and make a few notes.

1. To have a good conversation, research some interesting information:

Countries that work the hardest.

Countries that work the most hours.

Efficiency [working long hours doesn't mean you are working hard].

Also, look at countries that do the most and least physical exercise, and any other information that you think is interesting and worth sharing.

When you have finished with the research, read through your notes and think of the easiest and most understandable way to tell your story to your partner.

Take turns sharing the information you found.

Use the 5 x "W" words to start a mini conversation about your findings.
