

PROBLEMS

Fun activity.

Read the sentence to your students.

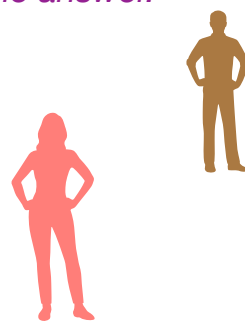

You will find some disagreement and discussion.

Give them time to debate, then read the sentence again and give the answer.

The following statements can be a problem for some people.

Do you consider them to be a problem? Do you think they are **T** or **F**?

1. Women talk more than men.
2. Men can **not** compliment women anymore.
3. Rich people have a great life.
4. Only men are colorblind.
5. We love everything that we don't have.
6. Spouses are being replaced by robots.
7. Artists are different from most people.
8. Married people are boring.
9. Women are better students.
10. Married women occupy most of the bed at night.
11. You can't **really** be friends with your boss.
12. Old people have a boring life.

=====

Teacher's Key

Women talk more than men.

*They speak the same amount of words, according to stats, so it's **False**.*

Men can **not** compliment women anymore.

***True** (it can be sexual harassment)*

Rich people have a great life.

False

Only men are colorblind.

*Very unlikely that females are colorblind, so consider it mostly **True**.*

We love everything that we don't have.

Haha, you tell me.

Spouses are being replaced by robots.

There have been a few cases. Would you like a robot companion?

Artists are different from most people.

My artist friends, yes. And your's? 🤪

Married people are boring.

I am married. So you tell me. 😂

Women are better students.

***False**. Men just have different interests.*

Married women occupy most of the bed at night.

***True**.*

You can't **really** be friends with your boss.

*In most cases it's **True**. There is a line that shouldn't be crossed.*

Old people have a boring life.

***False**. (They don't think so)*
