Worldwide Problems

Look at the following problems and share your opinion/suggestions with a partner:

	1	2	3	4
1	Population: Growing in some and decreasing in other countries.	Globalization: Is the world really benefitting from this?	Homelessness: As the world population grows, homelessness also grows.	Poverty: The rich is getting richer and the poor just fight for survival.
2	Refugees: It's a problem in most places across the globe.	Corruption: It seems to be growing faster than the population.	Child Labor: It is still linked to certain companies and certain countries.	Plastic Pollution: Are we making progress everywhere in reducing it?
3	Aging: The world's population is aging. How do we solve this?	Deforestation: Cattle farmers are one of the biggest culprits.	Education: How can the world help countries which has a lack of education?	Gender Equality: Half of the world's population is female, BUT...
