

# FAMILY

## Lesson Objectives

This lesson is designed for students to introduce their family members; to state the size of their family and what each family member does.

## Target Language

Family members.

Who's this/that?

Who's he/she?

He/She is my (brother/sister).

How old is your grandma?

My mother is tall.

My brother is short.

Etc.

## Vocabulary

parents

mother, mom, mummy, mama

father, dad, papa, daddy

grandparents, grandpa, granddad, grandfather, grandma grandmother, grannie

sibling, sister, sister, sister, brother

older brother, younger brother, etc.

Family lesson - students will develop their vocabulary, learn to talk about family members in English, learn how to describe and discuss their own families and practice with some activities.

Enough worksheets to keep your Basic students busy for over an hour.

Students should know all the important family members by the end of this lesson.
