

IN ON AT - TIME FLASHCARDS

Prepare:

Enough sets of the IN ON AT flashcards for each student in class.

Cut it into three preposition cards and give each student a set.

Explain that you will call out time expressions and after each expression, the students must hold up the correct preposition.

Students are out of the game if they hold up the wrong prepositions or are too slow.

The winner is the last student left playing the game.

Have a copy of the "Choose a Block - Time" with you and read the expressions to the students. **[Answer Key included]**
