WEATHER

Write some sentences in the box below about what your family does in different weather conditions.

For example, my father likes to wash his car on a hot day, my mother hates winter because it's so cold, my sister loves summer because she goes to the beach with her BF, and my grandma also likes summer because she can plant vegetables, I like winter because we have a lot of show and I prefer winter sports to summer sports. Do you like going to school in winter or in summer, etc?
