

BUYING / SHOPPING

Student A

1. If you go to a shopping mall, what do you like to buy?
2. Would you like to take your children with you when you have to go and buy something, or would you like to leave them at home?
3. Do you need help when you need to buy a present for a friend?
4. What do you think schoolchildren like to buy if their parents give them pocket money?
5. Name something that you used to buy, but don't buy anymore.
6. What is your next big purchase?
7. Do you like to wander around in shopping malls late at night?
8. They say that women buy up to 90% of all household goods. Do you think it's true? Why?
9. If you have enough money to buy a trip to space, when would you like to go - two, five, or 10 years later?
10. If your spouse gives you pocket money, what would you buy?

Student B

1. Are you good at buying presents for your family and friends?
2. Did you ever buy any presents for your teachers in school?
3. Did you used to go shopping with your mother when you were a kid?
4. If you want to go and buy clothes for yourself, do you like to go alone or do you like to take a friend with you?
5. If you have a little bit of extra money, what do you like to buy?
6. If you have enough money to buy any electric car that you want, what would you buy?
7. Which day of the week is the best to go and buy your groceries?
8. What do you have to buy every month that you don't like spending your money on?
9. Where would that be if you had enough money to buy another house somewhere in the world?
10. Do you usually like the presents that other people buy for you?
