

On a scale from 1-5... & ask and answer.

NUMBERS AND TIME

On a scale from 1-5, how much do you enjoy...

1. ... getting up when it's still dark?
2. ... being late for school/work?
3. ... having no lunch break?
4. ... not having enough time to finish your exam?
5. ... going to bed at midnight?
6. ... getting home when it is already dark?
7. ... walking around killing time?
8. ... having too much free time on a weekend?
9. ... working overtime/staying at school longer?
10. ... answering a call from an "unknown caller/number?"

=====

Ask & Answer

1. If you could have an extra hour in your day, what would you do with it?
2. How many pizzas could you eat in one sitting if you were super hungry?
3. If you had to wake up at 4:00 every morning for a week, what would be the first thing you do to stay awake?
4. How many steps do you think it would take to walk from your house to school?
5. If you found \$100 on the ground, how would you spend it in 10 minutes?
6. If you could travel back in time to any year, which year would you choose and why?
7. How many times can you jump up and down in one minute?
8. What's the longest you've ever stayed awake, and what did you do to pass the time?
9. If you could live to be 200 years old, what age would you like to stay at for the longest time?
10. How many selfies do you think you could take in 5 minutes?
