STREET FOOD

Match the columns

Street Vendors:

Vendor	A small stand where food is sold
Stall	A vendor who shouts to attract customers
Cart	Someone who sells food on the street
Hawker	A mobile stand with wheels used for selling food

Street Food:

Cuisine	Small portions of food eaten between meals
Snacks	Individual servings of food
Dishes	Special foods eaten for enjoyment
Treats	What is sold by street vendors

Qualities:

Delicious	Making you feel satisfied after eating
Filling	Tasting very good
Portable	Not expensive
Affordable	Easy to carry and eat while walking

Activities:

Purchase	To give something to someone for money
Chew	Bite food in the mouth with the teeth to make swallowing easier
Sell	To get something with money
Cook	To prepare food by heating it

Bonus:

Spicy	Liked by many people
Sweet	Having a strong, hot flavor
Popular	Food that has been made in a particular way for a long time
Traditional	Having a sugary taste
