HOSPITALS

Write some sentences in the box below about a time that any family member went to the hospital. For example, my father is strong, he is never sick, my mother went there twice, once for my brother's birth and once for my birth, my sister says the doctors are very handsome, etc. You can also write about how the doctors and nurses took care of you or your family member. Are you happy with the treatment? Don't forget to write about the hospital food…
