Discussion

1. Discuss which items on the menu are the healthiest options, what ingredients are used, and the preparation methods.
2. Compare this menu with a typical menu from your home country. Discuss differences in food items, prices, eating habits, and meal structures.
3. Create an advertisement or flyer for the restaurant, highlighting special offers, new items, or unique features of the restaurant.
4. Design your own restaurant menu with starters, main courses, desserts, and beverages. Get creative with names and descriptions. Include prices, but don't be too expensive!

Comprehension Questions

1. Which starter is the most expensive?
2. What is a Vegetable Stir-Fry?
3. What is the price of the Grilled Chicken Alfredo?
4. Name two desserts available on the menu.
5. How much does a Caesar Salad cost?
6. What beverages are offered for less than \$3.00?
7. What are the two ingredients on a Margherita Pizza?
