Odd One Out

Underline the word that doesn't belong with the rest.

Products

1. Shampoo, cologne, razors, deodorant.
2. Lotion, conditioner, watches, perfume.
3. Wallets, haircuts, skirts, dresses.
4. Toothbrushes, shoes, moisturizers, ties.

Services

1. Manicures, haircuts, massages, tutoring.
2. Car washing, laundry, plumbing, dry cleaning.
3. Personal training, tutoring, housecleaning, pet grooming.
4. Tailoring, spa treatments, car repairs, babysitting.

Teacher's Key

1. Shampoo, cologne, razors, deodorant.

Cologne is marketed towards men, while the other items are more commonly marketed towards women.

2. Lotion, conditioner, watches, perfume.

Watches are accessories, whereas the other items are personal care products often subject to the pink tax.

3. Wallets, haircuts, skirts, dresses.

Wallets are accessories, while the other items are fashion-related services and clothing items for women.

4. Toothbrushes, shoes, moisturizers, ties.

Ties are typically men's accessories, while the other items are more commonly marketed towards women and can be affected by the pink tax.

1. Manicures, haircuts, massages, tutoring.

Tutoring is an educational service, while the other services are personal care services women might pay more for.

2. Car washing, laundry, plumbing, dry cleaning.

Plumbing is a home repair service, whereas the other services are related to cleaning, where women might face higher prices.

3. Personal training, tutoring, housecleaning, pet grooming.

Tutoring is an educational service, while the other services are personal or home care services where women might pay more.

4. Tailoring, spa treatments, car repairs, babysitting.

Babysitting is a childcare service, while the other services are personal or vehicle-related services where women might face higher costs.
