

# FUTURE

## Student A

1. What will you do this weekend?
2. What will you do after this class?
3. How often do you think about the future? (daily, weekly, etc.)
4. What excites you most about your future?
5. What is one fear you have about the future?
6. Do you think that robots will be used to help with cooking and other housework?
7. Describe your dream job or ideal future lifestyle.
8. Do you think your plans for the future are realistic? Why or why not?
9. What would you do if you won the lottery and could retire early?
10. Would you prefer to travel the world or settle down in one place?
11. How important is it for you to have a family in the future?
12. What skills or knowledge do you hope to acquire in the next few years?

## Student B

1. Will this be a good year for you?
2. Do you want to get married? If yes, when?
3. How many pizzas are you going to eat this year?
4. If you think of the future, what do you see?
5. Will robots tie your shoes in the future?
6. Would you like to sit next to a robot in college/school?
7. How do you think transportation will change in the next 20 years?
8. Will humans ever live on another planet? Why or why not?
9. How will artificial intelligence impact the future of work?
10. What role do you think social media will play in the future?
11. What changes would you like to see in education for the next generation?
12. If you could travel around the world for the next six months, where would you start, where would you go and why?
