

A BICYCLE TRIP

1. What the meaning is of “bi”?
2. If a “**bi**-cycle” has two wheels, what do we call one with three wheels?
3. When you ride your bicycle, what do you hold on to, and steer with?
4. If you want to stop your bicycle, what do you do?
5. How do you get your bicycle to go forward again?
6. What do we wear on our heads for protection?
7. What do we use to put air in the wheels?
8. Some bicycles have “settings” for when you go uphill or downhill that you can change. What do we call these settings?
9. If cycling is your professional sport then you have a “trainer.” What is another word for “trainer”?
10. In many sightseeing places, you can find a bicycle for two people. What is this bicycle called?
11. During a bicycle race, like the Tour de France, what color “shirt” does the front runner wear?
12. What is the better word for this yellow “shirt”?

=====

On A Scale

On a scale from 1-5, how much do you like...?

- | | | | | | |
|--|---|---|---|---|---|
| 1. ... like cycling to school/work? | 1 | 2 | 3 | 4 | 5 |
| 2. ... like cleaning your bicycle? | 1 | 2 | 3 | 4 | 5 |
| 3. ... like cycling on a cold winter’s day? | 1 | 2 | 3 | 4 | 5 |
| 4. ... like cycling in the countryside? | 1 | 2 | 3 | 4 | 5 |
| 5. ... like cycling at night? | 1 | 2 | 3 | 4 | 5 |
