### At Home

When I am at home in the evening, or on a weekend, I like to just wear a \_\_\_\_\_ and some comfortable shorts. In winter, I will wear my \_\_\_\_\_ at home. I also have some warm \_\_\_\_\_ for those cold days. The floor in my house is very clean, so I just walk \_\_\_\_\_ in summer.

### Work Clothes

I have to \_\_\_\_\_ very fancy for work, so I have several business \_\_\_\_\_ to choose from. The office is very cold, so I usually wear a \_\_\_\_\_ and a tie. In winter, when it's really cold, I will wear a \_\_\_\_\_ as well. I also have a long \_\_\_\_\_ and some leather \_\_\_\_\_ for those icy mornings. My ears are always cold, so I like to pull a \_\_\_\_\_ over my head and make sure my ears are covered. The cleaning staff at my office can dress more \_\_\_\_\_. I'm sure they also wear one or two pairs of \_\_\_\_\_ under their \_\_\_\_\_.
