FUN ON THE BEACH

Write some sentences in the box below about your family going to the beach. For example, my father puts on his sunglasses and watches people all day. My mother only tans and reads her book. My sister walks up and down the beach in her bikini, my grandma complains about the sand all day, etc.
If you have never been to the beach with your family, you can write about what you think it would be like to go to the beach with your family.
