

BEVERAGES BINGO

Beverage Vocabulary Bingo

Materials Needed

- Bingo cards with beverage-related words. *[Included]*
- List of beverage-related words. *[Included]*
- Markers or chips for covering the Bingo squares

Preparation

1. Prepare more Bingo cards with a 5x5 grid. *[If needed]*
2. Each square should contain a beverage-related word. Ensure each card is different.
3. Prepare a list of beverage-related words that correspond to the words on the Bingo cards.

Beverage-related words for Bingo cards

Soda	Coffee	Tea	Juice	Smoothie
Milk	Cocktail	Beer	Wine	Sparkling water
Latte	Espresso	Lemonade	Iced tea	Hot chocolate
Frappuccino	Mocha	Herbal tea	Almond milk	Protein shake
Energy drink	Chai	Cappuccino	Cider	Kombucha

How to Play

1. Give each student a Bingo card and a set of markers or chips.
2. Explain the rules of Bingo. The goal is to get five words in a row, column, or diagonally.
3. Call out the words from your prepared list one by one.
4. Students will cover the corresponding word on their Bingo card if they have it.
5. The first student to get five words in a row, column, or diagonally shouts "Bingo!" and wins the game.

Extension Activity

After playing Bingo, you can have a brief discussion or ask students to write a sentence using each of the words that were called out during the game. This will help reinforce their understanding and usage of the vocabulary.

This activity is interactive, fun, and a great way to reinforce vocabulary in a social setting.

Beverage Vocabulary Bingo

Ten different Bingo cards. Each card has a 5x5 grid filled with beverage-related words.
