Discussion

- Choose three of the above sentences that are true for you. Discuss them with a classmate and give reasons why they are true for you.
- Would you like to study another language? Why/Why not?
- What time do you get up in the mornings?
- If you could live in another city/country, where would you like to live?
- If you could change your looks, what would you change?
- What do your parents do that you don't like?
- Would you like more siblings?
- Do you get on well with all your family members?
- How can you improve your relationship with your family?
- Have a mini discussion and use the 5 x "W" words to assist you.
