

YOUR TEACHER SAYS

1. You will read a sentence to your students and follow it up by saying: ... *and your teacher says it's true/false.*
Example: Cats are better pets than dogs... *and your teacher says it's true.*
2. Give your students a moment to think about this and they must then agree or disagree with you, and tell you briefly why.
3. Make some sentences *true and some false.* Have fun!
4. Depending on the size of your class, you can allow multiple students to answer/debate your statement.

1. A dab of honey on a mosquito bite can reduce the itch.
And your teacher says it's false/true.
2. Eating a cheese & honey sandwich can make you happy.
And your teacher says it's false/true.
3. We must plant more flowers and bring the bees back.
And your teacher says it's false/true.
4. Honey can treat a pimple.
And your teacher says it's false/true.
5. It's healthier to add honey to your tea than sugar.
And your teacher says it's false/true.
6. Honey would be nice if it were a blue color.
And your teacher says it's false/true.
7. Sugar tastes better with porridge than honey.
And your teacher says it's false/true.
8. Honey on toast, with coffee, is the breakfast.
And your teacher says it's false/true.
9. Honey, mixed with a little lemon, can relieve a cough.
And your teacher says it's false/true.
10. A fruit salad with yogurt and honey is delicious.
And your teacher says it's false/true.
