

JOBS

Write some sentences in the box below about jobs in your family. Think of what they do and how long they have been doing it. You can also mention who enjoys their jobs the most and the least.

Examples: My father has been a priest for 30 years and he loves every moment of it. My mother is a traffic officer. She's been doing it for almost ten years, but she doesn't like her job. She says it's too hot. My sister loves kids and she is a kindergarten teacher. She has only been teaching for 3 years. My grandpa used to be a carpenter. He made most of the furniture in our house, etc.
