Story

The Thompson family loves spending time together, especially with their pets. They have two dogs, a cat, and a bird, each with its unique personality. The oldest pet is Max, a large golden retriever who is very protective of everyone in the family. Max loves to follow Mr. Thompson around and lies beside him whenever he sits down. Then there's Bella, the youngest pet, a tiny kitten with gray fur. Bella is full of energy and often tries to chase Max, even though she's much smaller. Lastly, there's Lucky, a colorful parrot who enjoys perching on Mrs. Thompson's shoulder and repeating words. The family loves all their pets dearly, and they make sure to take care of them every day.

Each pet has its own special place in the family, and they all get along well. The kids love playing fetch with Max, and they enjoy watching Bella's funny antics. As for Lucky, his cheerful chirping and bright feathers always bring a smile to everyone's face.
