

RESEARCH, READ & REPEAT

Research and Discover

Animal	City	Sport
Emu	Adelaide	Cricket
Dingo	Brisbane	Rugby
Kookaburra	Melbourne	Netball
Magpie	Perth	Cricket
Cockatoo	Canberra	Rugby

Group Work (groups of 3 or 4)

[Choose one horizontal line. Example: Dingo, Brisbane and Rugby]

1. Research:

- Animal habits, habitat, diet, and local people's perspectives.
- Interesting city facts (e.g., attractions, climate, events).
- Sport overview, Australian performance, and notable champions.
- Additional interesting findings.

2. Prepare Your Presentation:

Organize your notes and plan a clear, engaging presentation.

3. Share Your Findings:

Take turns presenting your research to the group.

4. Discuss and Explore:

Use the 5 WH words (Who, What, When, Where, Why) to start conversations.

Look at the map on the next page to find your city and other locations

If you have a phone and Wi-Fi use Google Maps to find more information.

Map Activity: Locate and Explore

Use the map to find:

1. Cities: Adelaide, Brisbane, Melbourne, Perth, Canberra
2. Animal habitats:
 - Emu (grasslands, savannas)
 - Dingo (deserts, grasslands)
 - Kookaburra (eastern forests)
 - Magpie (various, including urban areas)
 - Cockatoo (eastern and southern regions)

More Research & Discussion - Cultural Connection

Experience Australian Culture

1. Traditional Food:
 - Meat pie, Fish and chips, Vegemite on toast, Pavlova, Lamington
2. Music and Dance:
 - Didgeridoo (Indigenous instrument), Bush dance, Australian folk music
