B. Picture Description: Thanksgiving Scenes

It is important to give the students a couple of example sentences. You can either give them some sentences or you can elicit examples from them.

Examples: Picture one has yellow and white flowers, while picture two only has yellow flowers.

The vase in picture one has no handles, but the vase in picture two has two handles.

Instructions

1. Look at each picture carefully.
2. Describe what you see in the picture using complete sentences.
3. Describe the differences between the two pictures.
4. Look at the crockery, cutlery, decorations, food, serviettes, etc.
