

CLASSROOM OBJECTS

Do you know the meaning of an object, an item, or a thing?

1. Which item in your bag do you use the most?
2. Which item do you seldom use?
3. Which item do you never use?
4. Do you have a desk at home?
5. Name three items in your pencil case.
6. What does the person next to you have on his/her desk?
7. Which object in the classroom do you like the most?
8. Name three items on your teacher's desk.
9. How many objects can you see that begin with the letter P?
10. Which objects in your bag do you use at home as well?
11. Name three items that you can write with.
12. Name three items on the wall.
13. What can you do with scissors?
14. Do you use a calendar?

Look at the **Handout** (picture) on the next page.

1. How many desks are there?
2. Is there a globe in the picture?
3. Can you see any backpacks?
4. Can you see the pencil case?
5. What is the boy carrying? How many is he carrying?
6. Are there any blackboards in the picture?
7. What color is the backpack?
8. Can you see the scissors?
9. How many things are on the first girl's desk? 🙄
10. What is in between the boy with the books and the globe?
11. Can you see any triangles in the picture?
12. How many clocks can you see and where are they?
