

BE HAVE WEAR

1. What's Different?

Work in pairs, facing each other.

Student A closes their eyes while **Student B** changes 3 things about their appearance (removes glasses, rolls up sleeves, etc.)

Student A opens their eyes and makes sentences like "You are not wearing your glasses" or "You have your sleeves rolled up."

Take turns to *make sentences* and *change things*.

Class Survey: Be, Have, and Wear

Instructions

1. Walk around the classroom and interview 5 different classmates.
2. Write their answers in the chart below.
3. After completing your interviews, write 5 sentences about what you learned.
