

HOBBIES

Write some sentences in the box below about hobbies that your family and friends do. For example, my father likes to blog, my mother is always baking, my sister reads a lot, etc.

You can also write some sentences about when they do these hobbies. Do they do it every weekend, every day, every evening, or only sometimes? Include your hobbies and you can also include other family members.

Follow-up Discussion

Share your answers about your family members' hobbies with the class and use the follow-up questions to keep the conversation going!

1. Who in your family has the most interesting hobby? Why do you think so?
2. Does anyone in your family share the same hobby as you? What is it?
3. Which family member has a hobby that you would like to try? Why?
4. Do you think your family's hobbies are similar to other families? Why or why not?
5. Which hobby in your family do you think is the hardest to learn?
6. Has anyone in your family stopped doing a hobby recently? Why?
7. Do you think hobbies bring your family closer together? Why or why not?
8. If your family had to start a new hobby together, what would you choose and why?
9. Which hobby in your family do you think is the most relaxing?
10. Is there a hobby someone in your family does that inspires you? What is it?
11. Are there any hobbies in your family that you think are unusual or unique?
12. If you could do one of your family member's hobbies for a day, which one would you choose?
