Teacher's Key

Note for teachers: For future tense, both "will + verb" and present continuous with future time expressions are acceptable in most cases.

2. Present, Past, and Future Verb Tenses

1. Right now, John **is drinking** (drink) coffee during his break. [Present continuous]
2. Yesterday, we **had** (have) lunch at the new café. [Simple past]
3. Tomorrow, I **will meet / am meeting** (meet) my friends for tea after work. [Future: will or present continuous for future]
4. Every day, Sarah **takes** (take) a short walk during her lunch break. [Simple present]
5. Last week, they **went** (go) to the park during their free time. [Simple past]
6. Next weekend, he **will try / is trying** (try) that new restaurant downtown. [Future: will or present continuous for future]
7. Lisa usually **eats** (eat) a sandwich at her desk. [Simple present]
8. Two days ago, I **brought** (bring) cookies for everyone in the office. [Simple past]
9. Tonight, we **will watch / are watching** (watch) a movie during our evening break. [Future: will or present continuous for future]
10. Maria always **makes** (make) tea at 3 o'clock. [Simple present]
11. Last month, the company **opened** (open) a new break room for employees. [Simple past]
12. Next summer, they **will visit / are visiting** (visit) the beach during their vacation. [Future: will or present continuous for future]

Extension Activities:

1. **Time Line Activity:** Draw a timeline on the board and have students place each sentence in the correct position (past, present, or future).
2. **Break Time Schedule:** Have students write their own break schedule using all three tenses.
3. **Chain Story:** Start a story about a lunch break and have each student add a sentence, alternating between tenses.
