

A LONG WEEKEND

Welcome to "A Long Weekend"!

Hello everyone! Today, we're going to read a story about something many of us love: **a long weekend!**

A long weekend is a special time because it gives us an extra day off from school or work. Instead of just Saturday and Sunday, we have three days – maybe Friday, Saturday, and Sunday, or Saturday, Sunday, and Monday.

What do people usually do on a long weekend?

- Many people love to **relax**. This can mean sleeping late, reading a book, watching movies, or just spending quiet time at home.
- Some people enjoy **traveling**. They might visit another city, go to the beach, or explore a new place nearby.
- Others like to spend time with **family and friends**, maybe having a picnic, playing games, or just talking.
- It's also a great time to do **hobbies** or things you don't usually have time for, like gardening, cooking, or playing sports.

Long weekends are wonderful because they give us a break and help us feel refreshed. They are a chance to do things we enjoy and make happy memories.
