

TRAIN JOURNEY

A Train Journey: Introduction

Have you ever taken a train trip? Trains are a wonderful way to travel! They are long vehicles that run on special tracks called railways. People take trains for many reasons: to go to work, to visit family, or to see new places.

Train journeys can be very exciting. You can look out the window and see the countryside, cities, or even mountains passing by. Inside the train, you can read, talk with friends, or just relax. Some trains are very fast, and some are slower, allowing you to enjoy the views. Thinking about a train trip can be just as fun as the trip itself!
