

GOING ON A CRUISE

A. Shore Excursions

When your cruise ship stops at a **port**, you can get off and explore. These trips are called **shore excursions**.

Part 1: What Can You Do Off the Ship?

Read the list of common shore excursions.

- **Beach Day:** Go to a beautiful beach to swim and relax.
- **City Tour:** Take a bus or walk to see famous places and buildings in a city.
- **Snorkeling Adventure:** Swim in the ocean with a mask to see fish and coral underwater.
- **Local Market Visit:** Walk around a local market to see and buy food, crafts, and souvenirs.
- **Nature Walk:** Explore a park or forest to see plants, animals, and waterfalls.
- **Historical Site Visit:** Visit ancient ruins or old buildings to learn about history.

Part 2: Choose Your Adventure!

Match each shore excursion type with what you might do or see there. Write the correct letter next to the excursion.
