### C. Reflection – What Did You Find?

After completing the Find Someone Who activity, reflect on what you learned.

1. What was the most surprising thing you learned about your classmates' experiences with their fathers?
2. Did you find someone who had a very different Father's Day tradition from yours? Explain.
3. What was the most common answer students gave?
4. Which question made people think the most before answering? Why?
5. What are two things you and your classmates appreciate about fathers?
6. Based on what you learned, how do people show appreciation for their fathers?
7. What did this activity help you understand about the different ways people celebrate Father's Day?
8. Did this activity change the way you think about Father's Day? Explain.
