

## FEELING SICK

### Activity 1: Put the Events in Order!

Read the story "Feeling Sick" again. These sentences tell what happened in the story, but they are mixed up! Put them in the correct order from 1 (first) to 8 (last).

- \_\_\_\_ Dr. Snow tells Betty to drink lots of water and stay in bed.
- \_\_\_\_ Betty tells Dr. Snow she has a headache and all her muscles hurt.
- \_\_\_\_ Betty calls and makes an appointment to see Dr. Snow.
- \_\_\_\_ Dr. Snow tells Betty to eat oranges and get enough sleep.
- \_\_\_\_ Betty arrives at the doctor's office for her appointment.
- \_\_\_\_ Betty tells Dr. Snow she wants to study medicine at university.
- \_\_\_\_ Dr. Snow says Betty sounds like she has the flu.
- \_\_\_\_ Betty asks Dr. Snow for something to make her less tired because of an exam.

### Activity 2: Give Advice to a Friend!

Imagine your friend texts you and says:

"Hey! I feel really bad. My head hurts, and I have a terrible cough! What should I do?"

What advice would you give your friend to help them feel better? Write 3-4 sentences in the box below. Be helpful!

Hi \_\_\_\_\_,

I think it is a good idea if you \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

### Activity 3: Ask the Right Question!

Choose the correct "WH-" question word to complete each question. Then, practice asking and answering these questions with a partner!

**WH-Words: What / Where / When / Who / Why / How**

1. \_\_\_\_ are you feeling sick?
2. \_\_\_\_ does your body hurt?
3. \_\_\_\_ did you take for your headache?
4. \_\_\_\_ helps you feel better when you are sick?
5. \_\_\_\_ did Betty go for her appointment?
6. \_\_\_\_ often do you wash your hands?
7. \_\_\_\_ does the doctor tell Betty to do for the flu?
8. \_\_\_\_ time did Betty have her appointment?

## Teacher's Key

### Activity 1: Put the Events in Order!

The correct order is:

1. **3** Betty calls and makes an **appointment** to see Dr. Snow.
2. **5** Betty arrives at the doctor's office for her **appointment**.
3. **2** Betty tells Dr. Snow she has a **headache** and all her **muscles** hurt.
4. **7** Dr. Snow says Betty sounds like she has the **flu**.
5. **1** Dr. Snow tells Betty to drink lots of water and **stay in bed**.
6. **8** Betty asks Dr. Snow for something to make her less **tired** because of an **exam**.
7. **4** Dr. Snow tells Betty to eat oranges and get **enough sleep**.
8. **6** Betty tells Dr. Snow she wants to study medicine at **university**.

### Activity 2: Give Advice to a Friend!

#### Examples Answers

- "Oh no! I'm sorry you feel bad. You should **stay in bed** and drink lots of water. Maybe you need to **fetch** some **medication** from the **pharmacy** for your **headache**."
- "Get **enough sleep**! Eating oranges might help your body be **stronger** and fight the **virus**. If you don't feel better, you should make an **appointment** with a doctor."

### Activity 3: Ask the Right Question!

WH-Words: What / Where / When / Who / Why / How

1. **Why** are you feeling sick?
2. **Where** does your body hurt?
3. **What** did you take for your headache?
4. **Who** helps you feel better when you are sick?
5. **Where** did Betty go for her appointment?
6. **How** often do you wash your hands?
7. **What** does the doctor tell Betty to do for the flu?
8. **When** did Betty have her appointment? (or **What** time did Betty have her appointment?)
