

## MILK

### Part 1: Dairy Product Sorting & Quantifiers

Look at the dairy products. Write **C** if the word is **Countable**. Write **U** if the word is **Uncountable**. Then, choose 5 words & write a sentence for each using a quantifier (**a, an, some, much, many, a little, a few**).

	C or U?	Write your sentences here:
1. milk	_____	_____
2. yogurt	_____	_____
3. cheese	_____	_____
4. egg	_____	_____
5. butter	_____	_____
6. milkshake	_____	_____
7. cream	_____	_____
8. ice cream	_____	_____
9. slice of cheese	_____	_____
10. carton of milk	_____	_____

### Part 2: The "Milk Cafe" Role-Play

Work with a partner. One student is the **Waiter/Waitress**, and the other is the **Customer**. Use the menu below to order food and drinks. Remember to use **How much** or **How many**, and words like **a, an, some, a little, a few**.

Milk Cafe Menu	Example Dialogue
<b>Milkshake:</b> Chocolate, Vanilla, Strawberry <b>Smoothie:</b> Banana, Berry Hot Chocolate Glass of Milk (cold) Coffee with Milk Bowl of Cereal Slice of Cheese Cake Cup of Yogurt Ice Cream Cone	Customer: Hello! Can I have a milkshake, please? <b>Waiter/Waitress:</b> Of course! What flavor? Customer: Vanilla, please. And some ice cream. <b>Waiter/Waitress:</b> Okay. Is there anything else? Customer: How much sugar is in the hot chocolate? <b>Waiter/Waitress:</b> Just a little. Customer: Okay, I'll take one hot chocolate too.

**Your Turn!** Make new orders.

### Part 3: What's in the Fridge? (Game)

Look at the picture carefully.

**Ask** your partner questions about the things in the fridge using **How much** or **How many**.

Example: "How much milk is in the fridge?"

Example: "How many eggs do you see?"

**Answer** your partner's questions using words like **some, a lot of, a little, a few**, or a number.

Example: "There is **some** milk."

Example: "I see **six** eggs."
