

HOW TO MAKE A SANDWICH

We don't all like the same kind of sandwiches. Interview your father [or another family member], and ask them how to make the perfect sandwich. Write what steps they do first, second, next, then, last, and finally.

Interview

Begin by asking your father [or another person] what they do before they start making a sandwich.

1. Before I do anything, I _____
2. First, I _____
3. Second, I _____
4. Next, I _____
5. Then I _____
6. Last, _____
7. Finally, I _____

Say what type of bread your family usually eats and what most family members like on their sandwiches... **Example:** My mother likes whole wheat bread.

Example: My sister likes to put avocado, bacon, and cheese on her sandwich.

My _____ likes _____ bread.

My _____ likes _____ bread.

My _____ likes to put _____ on her sandwich.

My _____ likes to put _____ on her sandwich.

Ask Your Family Or Friends
