Read the Letter

Dear Grok,

I hate cleaning my room! 🤦 It's always messy with clothes on the floor, books and papers everywhere, and dirty plates from snacks. My mom keeps shouting at me to clean it, but I just don't feel like it. When I finally clean, it gets messy again in two days!

My friends say their rooms are the same. I feel lazy and stressed when my mom starts complaining.

What should I do?

From,

Messy Max (14)
