Dear Messy Max,

Haha, I can already see the mountain of clothes and the pizza box on the floor! 😂 Don't worry — you are **definitely not** the only teenager with this problem. Almost everyone hates cleaning their room!

The truth (with a smile):

- Most teenagers feel lazy about cleaning.
- A very messy room can actually make you feel more stressed.
- Moms complain because they don't want to live in chaos (but they probably hated cleaning too at your age!).

My advice:

- Play your favorite music and clean for only **10 minutes**.
- Make small habits: put dirty clothes in the basket every night.
- Take a "Before & After" photo — you'll feel proud when you see the difference.
- Remember: you don't have to make it perfect, just better.

You've got this, Max! A cleaner room = happier mom and a happier you 😊
