3. What do you think is more important at this age — having a boyfriend/girlfriend or good friends?

Read Mia's Letter

Dear AI,

I'm 16 and it feels like everyone is in a relationship except me. All my friends have boyfriends or girlfriends. They go on dates, post cute photos together, and talk about their plans.

When we hang out, I feel like the third wheel. I'm happy for them, but I also feel lonely and a bit jealous. I keep wondering what's wrong with me. Why doesn't anyone like me?

What should I do?
