

## Discuss the Differences

### Looking for a Job

#### Instructions:

1. Work with a partner (Student A & Student B).
2. Both look at Picture A and Picture B together for 1 minute.  
Try to remember as many details as you can!
3. After 1 minute, close page 1 (or turn the page) so you cannot see the pictures.
4. Go to page 2 and take turns asking and answering the 10 questions:
  - Student A asks the 5 questions about Picture A (Student B answers from memory).
  - Then Student B asks the 5 questions about Picture B (Student A answers from memory).
5. Give 1 point for each correct answer.  
The student with the most points wins!

### Questions about Picture B

1. How many people are in the picture? - Looks like 14
2. How many people are sitting? - Nine (9)
3. Is there a woman with long hair reading? - Yes
4. Are there any plants in the room? - Yes - potted plants.
5. Are there any vacant chairs in the room? - Yes, at the back table

### Activity 1: Match the Job to the Description

1. Graphic designer	Designs logos and posters
2. Software developer	Writes computer programs
3. Photographer	Takes photos for magazines or events
4. Mechanic	Fixes cars and engines
5. Journalist	Writes articles for newspapers
6. Chef	Prepares meals
7. Architect	Designs buildings
8. Interpreter	Translates spoken languages

### Activity 2: Name Three Jobs...

1. Name three jobs that use computers - programmer, web designer, data analyst, etc
2. Name three jobs in a hospital - doctor, nurse, surgeon, receptionist, paramedic, pharmacist
3. Name three creative jobs. - interior designer, landscaping artist, architect
4. Name three jobs that need traveling. - politician, flight attendant, pilot
5. Name three jobs with uniforms. - soldier, police officer, fireman, traffic officer, nurse
6. Name three jobs in a restaurant - chef, waiter, host, cleaner

### Activity 3: Present Simple vs Present Continuous (Grammar Focus)

1. Right now, I am looking, (look) for a new job.
2. She works (work) as a designer every day.
3. At the moment, they are attending (attend) a job fair.
4. He usually writes (write) computer code.
5. We are searching (search) online for jobs this week.
6. My brother is studying (study) to become an architect.
7. People need (need) good CVs to get jobs.
8. Today, I am preparing (prepare) for an interview.

### Activity 4: Job Vocabulary – Odd One Out

Take turns. For each group, say which job is the odd one out and why.

1. pilot – mechanic – flight attendant – journalist
2. photographer – graphic designer – chef – architect
3. software developer – interpreter – journalist – writer
4. mechanic – electrician – plumber – teacher
5. barista – waiter – chef – programmer

**pilot – mechanic – flight attendant – journalist****Odd one out: journalist**

Reason: The others all work in aviation/on planes (pilot flies, mechanic fixes planes, flight attendant serves on flights). Journalist works in media/news.

**photographer – graphic designer – chef – architect****Odd one out: chef**

Reason: The others are creative/design jobs that often use computers or drawing (photographer takes pictures, graphic designer makes digital art, architect designs buildings). Chef works with food/cooking.

**software developer – interpreter – journalist – writer****Odd one out: interpreter** (or software developer – both acceptable)

Reason options:

- Interpreter translates spoken language (the others mainly write: software developer codes, journalist/writer write articles/stories).
- OR Software developer works with computers/technology (the others work with languages/words).

**mechanic – electrician – plumber – teacher****Odd one out: teacher**

Reason: The others are manual/trade jobs that fix things (mechanic fixes cars, electrician fixes wiring, plumber fixes pipes). Teacher works in education/with students.

**barista – waiter – chef – programmer****Odd one out: programmer**

Reason: The others work in restaurants/food service (barista makes coffee, waiter serves tables, chef cooks). Programmer works with computers/coding.
