#### Reading – Letter to Dear AI (Complaint)

Dear AI,

My name is Lucas. I have a problem. My sister Mia always uses my things! Yesterday I wanted to study. I looked for my green hoodie – it was on Mia! Then she took my headphones and my phone charger. She said “Relax! I’m just borrowing it!” But she never returns things on time.

She does this every day. I get so annoyed! I love my sister, but I need my own stuff. What can I do?
