Dear AI,

I'm 16 and someone is bullying me online. A group of people from my school keep sending me mean messages and posting bad comments under my photos. They call me names and make fun of how I look.

I feel angry and sad at the same time. I don't know if I should reply, block them, or tell someone.

I'm scared it will get worse if I do something.

What should I do?

Alex
