- I can use common adjectives to describe people's appearance and personality.
- I can describe objects, places, and things using adjectives.
- I can ask and answer questions about people and things.
- I can give simple opinions using adjectives.

#### ◆ Lead-in Activity (Teacher-Student – 5–8 minutes)

Great way to start — ask these orally before showing the big picture:

1. What words do you know in English to describe people?
2. How would you describe your best friend or a family member?
3. What makes a person look friendly / kind / funny?
4. Do you like meeting new people? Why or why not?
5. How do you describe your favorite café or restaurant?
6. Before we look at the picture: What kind of people and things do you think we will see?

#### Vocabulary Elicitation:

- Let's make a word list on the board. Tell me all the describing words (adjectives) you know.

→ Then show the big central image and move to the picture-based activities.

**Tip:** Accept short answers at A1, push for longer sentences at A2.
