**Skills:** Speaking, Vocabulary, Grammar, Personal Storytelling

**Time:** 60–90 minutes

**Central Material:** Large summer holiday scene image (PDF 2)

### Objectives (Can-Do Statements)

- I can talk about my summer holiday.
- I can describe where I went and what I did.
- I can share my feelings about the holiday.
- I can ask others about their summer.

### Lead-in Activity (Teacher-Student – 10–15 minutes)

This is the main focus of PDF 1 — make it warm and conversational:

1. Welcome back! How was your summer holiday?
2. Did you stay at home or go somewhere?
3. What was the best thing you did during the summer?
4. Did you eat anything special? Did you swim? Did you visit family?
5. Was it relaxing or exciting? Why?
6. What was the weather like?

### Quick Concept Check: Summer Verbs & Adjectives

**Rapid-fire:** “Did you swim / travel / read / play / visit...?”

“Was your holiday fun / relaxing / boring / exciting / tiring?”

### Image Prediction Activity (Before Showing the Picture)

Write these words on the board:

- beach                      camping                      swimming                      family
- picnic                      holiday                      mountains

**Ask:** “What is today’s topic?”

**Students guess:** Summer holiday      Vacation      Travel      Fun activities

Before we look at the picture: What different kinds of summer holidays do people have? What do you think we will see in the big picture?
