2. The Story

Last Sunday was super hot. After lunch, Mom smiled and asked, “Who wants ice cream?” My brother and I shouted “Me!” together really loudly.

We walked to the small ice cream shop near the park. There were so many colourful flavours in the big freezer. I stood there for a long time trying to choose. Chocolate? Strawberry? Mango? Finally the nice man said I could have two scoops. I chose chocolate and strawberry. My brother picked mango and vanilla. Mom took one with chocolate chips on top.

Our cones were huge! The ice cream was cold and sweet, but it started melting very fast in the hot sun. We sat on a bench under a tree. I tried to eat slowly, but some ice cream still dripped on my t-shirt. Mom laughed and wiped it with a tissue. My brother had ice cream all over his face. We looked so funny!

Eating ice cream with my family on a hot day is one of the best feelings. It makes everyone happy. Ice Cream Time is definitely my favourite treat!
