1. Warm-up (3-5 minutes)

- What do you see in the picture?
- Do you watch movies at home?
- Who do you watch movies with?
- What is your favourite kind of movie?

2. The Story

Every Friday night is my favourite night because it's Movie Night! After dinner, we clean the kitchen fast (sometimes we argue a bit about whose turn it is). Then the fun starts.

Dad makes popcorn in the big pot. The smell is amazing and we always steal some pieces before it's ready. Mom brings blankets and pillows to the sofa. My sister and I fight a little about which movie to watch, but we usually choose a funny cartoon.

When the movie begins, we turn off the lights. The room feels so cosy. We sit all together under the blankets. I eat lots of warm popcorn with butter. Sometimes I drop popcorn on the sofa and Mom says "Careful!" but she laughs too.

The best part is laughing together. Sometimes we talk during the movie and Dad says "Shhh!" but he is also talking!

After the movie we talk about the funny parts. Then I go to bed happy.

Movie Night is simple, but I love it. It's the best part of the week because we are all together.
